ZD220, ZD421, ZT230 & DS3600 series

ZD220

ZT230 Industrial

ZD421

DS3678 Scanner

The **ZD220, ZD421** and **ZT230** printers are compact, easy to use and globally the most compatible label printer brand on the market.

The Zebra **ZD220** desktop printer delivers quality and reliability at an affordable price. With USB connectivity and compatible with Windows and Apple operating systems, this is a great entry level courier printer.

The **ZD421d** desktop printer offers a similar footprint to the ZD220 with more connectivity options within the range, Ethernet, BT and WIFI.

As an industrial tabletop printer, the **ZT230** is designed for ease-of-use and reliable printing for a wide variety of applications where higher volume printing is required.

The **DS3600** scanner series are designed to capture virtually any barcode from near contact to an arm's length away. Loaded with features that deliver truly unstoppable performance, they redefine reliability and management simplicity.
