9	162	162,000	\$23.68

* NZ\$ excl GST & freight

Price has been decreased to include your prompt payment discount, and assumes you will continue to settle your accounts by 20th of the following month. We no longer offer a further discount payment by direct debit, but continue to offer the convenience of having your bill paid and your account always up to date.

Pharmacy Label Printer

Call us for a Zebra ZD220USB Printer

Zebra's ZD220USB compact desktop printers are engineered with Zebra quality to deliver reliable operation at an affordable price. With an industry best out-of-box experience, they are simple to install and begin printing. Key features include USB connectivity for universal interoperability, along with a single LED status indicator and single button for feed/pause for easy operation.

The ZD220USB [MCC id. 426496] and before it the GC420d and LP2844 are well proven in pharmacy.

*All prices \$NZ, excluding GST and freight. Subject to change, with notice given on our website. Prices effective for orders from 01.01.2026. Printer price is specific to pharmacies only.
